RUSSIAN WARSHIPS LEAVE FRENCH PORT

Heavy Cannonading Heard Off Kamranh Bay.

TOKIO ANXIOUSLY AWAITS NEWS

Rojestvensky's Squadron Sails in a Northerly Direction and Consists of 52 Ships—Japs Army Waiting Result of Naval Battle.

Kamranh Bay, Indo-China, via Saigon, April 24.—11:30 a. m.—The Russian squadron consisting of 52 ships, including the transports, left Kamranh Bay at noon April 22, and the main portion soon disappeared in a northerly direction. Sixteen vessels—the Russian cruiser Svietalana, Russian hospital ship Orel, four German transports, seven Danish transports and three Russian transports—remained in the offing.

Fishermen and others assert that they heard heavy cannonading north

of Kamranh Bay during the evening of April 22.

Those who saw Admiral Rojestvensky prior to his departure say he is suffering from dysentery, accompanied by severe pains. All the officers and crew of the Russian ships appeared to be full of confidence.

It is believed here that it is Admiral Rojestvensky's intention to do everything possible to have Admiral Nebogatoff join him before undertaking a decisive battle. A torpedo boat destroyer is patrolling the coast.

The French third-class cruiser Descartes left here at 2 o'clock Saturday noon for a point on the coast where a fisherman reports that he saw 20 warships. The man, however, was unable to give their nationality.

Although the Russian crews were confident of victory independent observers who got close enough to Admiral Rojestvensky's warships to be able to inspect them were not unanimous regarding the efficiency of the squadron.

Excitement at Japan's Capital.

Tokio, April 25.—Information is keenly awaited regarding the movements of Admiral Rojestvensky's squadron. It is generally believed that the Russian warships will either continue north from Kamranh Bay until they reach Chinese waters outside the territorial limit or enter the Pacific ocean.

News From Manchuria.

St. Petersburg, April 25.—The news from Manchuria indicates that Field Marshal Oyama's plans await the result of the naval battle it being too risky for the Japanese army to undertake serious operations while the outcome of the sea fight is in the balance. Should Admiral Rojestvensky reach Vladivostok and Admiral Togo still be able to protect the Japanese lines of communications the general belief at the war office is that the Japs will forthwith attempt to cut off and invest Vladivostok, and make of it a plane another Port Arthur.

Rumor of Naval Battle.

St. Petersburg, April 24.—11 a. m.—The admiralty is disposed to accept with reservation all foreign telegrams announcing the whereabouts of Vice Admiral Kamimura and the Japanese fleet, believing that many of them are purposely sent out for strategical deception.

The Novoe Vremya this morning prints a rumor that the opposing squadrons were already engaged Saturday, but the paper has nothing to support the report and no credence is placed in it.

The report that the crew of the Russian cruiser Diana interned at Saigon, after the battle of August 10, but is undergoing repairs at Heifang, Tonquin, and had rejoined Admiral Rojestvensky at Kamranh bay previously to the sailing of the Russian squadron April 22, is denied here.

CRIME IN GOTHAM DECREASES.

While Population Increases, Lawlessness Shows a Falling Off.

New York, April 25.—Although the population of the county of New York has increased 140,870 during the past three years, there has not been a proportionate increase in crime, according to the annual report of district Attorney Jerome's chief clerk.

In the detailed reports of felonies, there is no marked advance of figures as compared with former years. The average number of prisontrs charged with felony who were confined in the city prison during the last three years was 1,866. This is the lowest average on record.

The number of indictments and complaints disposed of during the year 1904 was 5,039. Forty-nine per cent of the prisoners were convicted by verdict. The classified list of convictions during 1904 showed a startling preponderance of male criminals. Only 169 females were convicted as against 2,279 men. Of the 169 females, 166 wer found guilty of larceny and three of manslaughter. Of the 2,466 persons convicted during the year 1,610 were citizens of the United States.

LARGE EASTER CONTRIBUTIONS

Over $250,000 Collected on Sunday in the Various New York Churches.

New York, April 25.—Easter contributions to the churches of this city are estimated to have considerably exceeded $250,000. Indeed, the sum total of the seven or eight churches classed as the wealthier congregations probably reached that figure. In some instances the gifts were as large as $25,000 from individuals. Grace church received one contribution of that sum which will be used for the training schools of deaconnesses.

Altogether the congregational offering was $55,450 the largest in many years. St. Andrews, in Harlem received $33,000, the largest amount ever offered by that congregation. Like Grace church, the plates received one check for $25,000. Old Trinity is thought to have raised at least $60,000 for the numerous institutions under its patronage. In Brooklyn heavy offerings were also reported and several churches will be able to wipe out their entire indebtedness.

To Stop Property Destruction.

St. Petersburg, April 25.—With the object of stopping the destruction of private property which has been going on in the rural district under the influence of the leaders of the peasant movement an imperial decree was issued today authorizing the minister of the interior, M. Bouligan, to appoint commissions in the disturbed districts to trace the culprits, assests tht losses and collect the amount of damage done from the members of the village communities implicated, whose whole real and personal property is liable to be sold at auction for this purpose. The decree also orders the granting of state loans to the landowners not possessing the means of repairing their losses.

Police May Have "Dove."

Chicago, April 25.—The mysterious "Mr. Dove," principal in the murder of Chauffeur William Bate, in a lonely road near Lemont, Ill., last November, is believed by the Chicago police to have been captured. A man answering the description of Dove is under arrest at Memphis, Tenn. Detectives left Chicago for Memphis to identify the suspect and if it is established that he is the man wanted, to bring him back to Chicago for trial. The prisoner is said to have made damaging admissions.

ANGRY OHIO MOB IS CHASING NEGRO

Officers Spirit Prisoner Away In An Automobile.

CHARGED WITH HEINOUS CRIME

Black Demon Assaults and Murders White Woman in Buckeye State and if Mob Gets Him There Will Be a Lynching.

Columbus, O., April 25.—Speeding from an angry mob of 400 white people at Mount Vernon, Knox county, early today, a deputy of Sheriff James C. Shallenbarger, in an automobile, rescued George Copeland, a negro aged 20, who had been tracked to his home by bloodhounds and arrested shortly after midnight, on the charge of assaulting and murdering Miss Miranda Bricker, a white woman aged 55 years Saturday night.

As soon as the word got out that the negro had been placed in jail the mob quickly gathered and the cowering and frightened Copeland was hastily disguised by a big overcoat and packed into the bottom of the automobile and one of the sheriff's deputies jumped in and dashed through a back street and started on the way to Centerburg, about 1 miles distant, where Capeland will be placed on a Cleveland, Akron and Cleveland train which is expected to arrive in Columbus today at 2 p.m.

The mob has not as yet learned of the transfer, and it is being momentarily augmented by people from the country districts attracted to the city by the news of the murder and the threatened violence.

Sheriff Shallenger addressed the mob and begged that the law be allowed to take its course, assuring the people that Copeland would be given a speedy trial and imploring them not to besmirch the name of the city by any untoward act.

The run to Centerburg was fraught with excitement. The most infrequented roads were taken. Copeland lay crouched in the bottom of the machine, cowered with terror, his eyes protruding and his lips moving in incoherent prayer.

Miss Bricker was a servant in the Fairchild family and was highly respected. She was for years employed as the pastry cook at the Kenyon Military academy.

ROBBERS SECURES JEWELRY.

Claimed To Be Officers and Gained Entrance to Apartments.

Chicago, April 25.—On the pretense of serving a search warrant three men have gained entrance to the apartments of Mrs. R. Gilmore in Twentieth street and at the point of revolvers robbed Mrs. Gilmore and Edward Giroux, of $2,500 worth of diamonds.

The victims were then bound and thrust into a closet and the door locked on them. After the robbers had department Mrs. Gilmore tugged at her bonds and released her hands. She and Giroux were half strangled in their narrow quarters. Giroux, to get a breath of fresh air, kicked one of the panels in the door to splinters. He attempted to crawl through this but the opening was too narrow. Another panel was then broken and Mrs. Gilmore crawled through. She secured a duplicate key and released Giroux. About $5,000 worth of jewelry sought by the robbers was overlooked.

No More Strikes or Lockouts

New York, April 25.—The new building season will begin in earnest today when 100,000 workers in the trades will begin operations under the arbitration agreement signed Saturday by employers and representatives of skilled men and under which it is provided there shall be no strikes nor lockouts. The builders, architects and prospective owners of buildings have work on hand which will last for years to come, strikes and other disturbances during the past few years having delayed operations to such an extent that it will take a long time to catch up. Leaders on both sides express much gratification over the outlook.

WHEAT CONTINUES TO DROP.

Net Loss of Over 7 Cents Compared With Saturday's Close.

Chicago, April 25.—A double back somersault was performed by May wheat today. Instead of settling into a reminiscence, the option promptly started this morning with a repetition of last week's sensational acrobatics. Some of the first trades showed a fall of 4 cents a bushel the price opening at 96 to 98c against $1 at the close of Saturday.

After the initial plunge, the price for May showed a tendency to rally, reacting temporarily to 97 3-4. If the selling was from representatives of John W. Gates, it was well disguised, the market presenting the appearance of a general bearish attack rather than an attempt at further liquidation of holdings acquired during an attempted corner. P. A. Valentine, of Armour & Co., was generally credited with buying considerable May wheat while the quotations were between 96 and 98. The other was attracted by the recovery of 97 3-4. Fresh selling, however, from outside sources soon pounded the market down. It was not long until the current figures for May were 93½, a net loss of 6½c a bushel, compared with Saturday's close.

Before midday another cent was clipped from the price of May wheat, sales being made at 92½ a bushel. On the slump Armour & Co. was reported to have bought in as much as 1,000,000 bushels of the May option.

FRENCHMEN OBSERVE EASTER.

Foreign Office Was Opened Only a Short Space of Time.

Paris, April 24.—1:40 p. m.—The foreign office and other departmental buildings were closed today in connection with the Easter holidays, which, with the Easter adjournment of both branches of parliament and the departure of President Loubet and most of the ministers except Foreign Minister Delcasse to attend the unveiling of the Gambetta statue at Bordeau has resulted in a period of calm after the excitement attending the Delcasse incident and the Japanese protest.

The foreign office was open briefly at noon when it was said that no confirmation had been received of the reported canonnade outside of Kamranh bay during the night of April 22, the day that Admiral Rojestvensky left the coast of Annam.

The officials here discredit the report that the crew of the interned Russian cruiser Diana now at Haifong joined Admiral Rojestvensky previous to his sailing.

Shoots Man; Then Kills Self.

Portland, Me., April 25.—Edward Hilton, 65 years old, of Eastmater, shot and killed George Young, 45 years old; slashed his wife terribly about the head and neck with a knife, and then shot and killed himself. The woman, it is thought, will recover. The tragedy, it is said by the police, followed a quarrel between the men over Mrs Hilton. Young formerly boarded with the Hiltons. He visited the Hillton home Sunday and was talking with the woman when her husband entered.

Collar Button Saves Life.

Augusta, Ga., April 25.—It is probably due to the good graces of a collar button that Manager Billy Earle, of the Columbia baseball club, is not a dead man. While on the way from Charleston to Augusta Sunday morning, a malicious negro fired a pistol bullet through the train, striking Earle in the throat. Fortunately it passed through the panel, instead of the glass, and landed on the manager's collar button, and being partly spent, glanced.

Ends Life on Wife's Grave.

Baltimore, April 25.—Mrs. William Wachauss died in this city two years ago. Her husband sold out his business and returned to Bohemia, his native land. He came back to New York several days ago and sent his trunk to a friend in this city. Wachauss himself got off the train in the suburbs near Oak Hill cemetery and went to his wife's grave, where he shot himself in the temples dying instantly.

JOSEPH JEFFERSON SUCCUMBS TO DEATH

Famous Actor Has Passed To The Great Beyond.

INTERMENT AT BUZZARD'S BAY

His Condition Was Thought to Be Improving When the Change Came Suddenly—He Was Beloved by All the People.

West Palm Beach, Fla., April 25.—Joseph Jefferson died at his home, "The Reefs," at Palm Beach, Fla., at 6:15 o'clock Sunday. The end came after a day of unconsciousness and after a heroic struggle of days which had exhausted his vitality. At his deathbed were his wife, his sons Chas. B. and Frank Jefferson; his nurse Miss Mabel Bingham; Dr. R. B. Potter and his faithful old servant, Karl Kettler.

The end was not a surprise to his family. Ever since his last sinking spell which came after a rally on Thursday morning, and which was followed by an apparent improvement un-

til Friday, the family has been waiting for the end. Mr. Jefferson's condition Saturday night grew steadily worse and the family, who had retired were summoned from their beds, and Dr. Potter was called. The patient's condition continued to grow worse all through the day and the brief bulletins from the bedside contained no words of encouragement. The sickness of Mr. Jefferson, which ended in his death was contracted, it is believed, while on a recent visit to his son, Charles B. Jefferson, at Hobe sound, a few miles above Palm Beach, where he went to meet his friend, former President Cleveland.

Funeral Arrangements Not Made.

Cleveland, April 25.—William Winter Jefferson, a son of the actor, heard of the death of his father while passing through this city last night en route to Bellefontaine, O. He has cancelled all engagements for his theatrical companies and will leave the stage indefinitely. He said that he would meet his brother in Toledo today and then go on to New York for the funeral of his father, arrangements for which, he said, had not been completed.

Body Sent to Buzzard's Bay.

Buzzard's Bay, Mass., April 25.—It was learned today at Crow's Nest, the home of Joseph Jefferson, that the body of the aged actor would not be brought directly here from Palm Beach. Arrangements have been made to place the casket in a receiving vault at Boston until such a time as members of the family, who are scattered over the country and abroad, can come together. The body then will b brought here and buried in the Bayview cemetery, Sandwich.

Seized with Acute Indigestion.

Detroit, Mich., April 25.—United States Senator R. A. Alger, who was seized with an attack of acute indigestion last night on a Michigan Central train near Detroit, and who was taken home from the station in an ambulance, is better today. Although not able to leave his bed, all danger is said to be passed.

HE MEANS SCOTT'S

Your doctor says you must take cod liver oil. Probably he means Scott's Emulsion because you cannot take the clear oil; no one can take the clear oil who needs cod liver oil. The doctor understands that and doubtless means Scott's Emulsion of cod liver oil which everybody can take because it is emulsified and prepared so that it can be very easily digested by the most sensitive stomach. Most everybody likes it.

TUESDAY'S SPECIAL ELECTION

E. A. O'Neill Elected Alderman to Fill Unexpired Term.

Tuesday's special election, called for the purpose of selecting an alderman to fill the unexpired term of Alderman Pedrick, resigned, was a quiet affair, only 171 votes being cast.

There were only two candidates for the position, E. A. O'Neill and Dr. J. H. Colson. The former received 115 votes against his opponent's 56, which elected him by a handsome majority.

As has been said before, both are good men, and either would have served the city faithfully in the position to which they aspired. Mr. O'Neill has served the city faithfully and efficiently as chief of the fire department, and there is no reason to believe that he will not do the same thing as an alderman.

Friends extend congratulations.

Frightful Suffering Relieved.

Suffering frightfully from the virulent poisons of undigested food, C. G. Grayson of Lula, Miss., took Dr. King's New Life Pills, "with the result," he writes, "that I was cured." All stomach and bowel disorders give way to their tonic, laxative properties. 25c at all drug stores, guaranteed.

NEWS OF CITY AND COUNTY CONDENSED

Attorney J. M. Rivers is in Tallahassee on important business.

M. A. Bennett, representing the Eddins Manufacturing Company, went yesterday to Leesburg in the interest of his firm. He expects to visit other points before returning home.

Father Brasnahan of the Diocese of St. Augustine, Roman Catholic Church, will arrive in the city during the week, and expects on next Sabbath to open at the church a mission to explain Catholic teachings. He is a graduate of the American College of Rome, one of the finest Catholic educational institutions in the world, and made an extra year's study in a special course with the Paulist father in Washington, D. C.

The members of Kirby Smith Chapter, U. D. C., are requested—and friends who might be interested—are invited to meet at the residence of Mrs. J. N. Strobhar, on Tuesday morning, April 25th, at 9 o'clock, where laurel wreaths for the graves of the Confederate Veterans will be made for Memorial Day. The chapter will assemble at the residence of Mrs. J. F. McKinstry, Jr., at 4 o'clock in the afternoon, Wednesday April 26th, where carriages will be ordered to carry the members of the chapter to the cemetery. Kirby Smith earnestly solicits the contributions of flowers from members and friends of the chapter. A committee will be prepared to receive any floral offerings on Wednesday at the home of Mrs. McKinstry.

Is Thankful for Kindness.

Mrs. E. A. Larzelere of Philadelphia, who has been spending the winter as the guest of Mrs. J. D. Turner, left yesterday for a two weeks' trip down the East Coast, and from there she will return to her home.

In taking her departure, she said: "It is with regret that I leave Florida, and should like to come again. I think the climate fine, scenery exquisite and people charming. Gainesville is a delightful little city—truly a place of pleasant homes; but, if I may be allowed the comparison, North Gainesville is the garden spot, and surely it blooms as the rose—the hearts of the people a little warmer, their love a little stronger, and they seem to have learned 'the word of the Master,' and I feel that some will reach the ultimate promised reward. Thanks to all for courteous kindness."

Death of Mr. Jeffords.

The Sun regrets to chronicle the death of E. A. Jeffords, one of the oldest and most widely known citizens of Gainesville, which occurred at his home, East Magnolia street, Tuesday morning, after an illness covering a period of several weeks.

Deceased was seventy years of age, and may be regarded as one of Gainesville's pioneer citizens, having resided here for the past quarter of a century, or longer. He had a great many friends who were pained at his death, but no living relatives here.

W. S. Moore, a son-in-law of the deceased who resides in St. Louis, was notified by telegraph of the sad occurrence, and the funeral arrangements cannot be announced until instruction is received from him.

Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine E. H. Wolfe of Bear Grove, Iowa, cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." All druggists guarantee them at 50c.

MEMORIAL DAY WILL BE DULY OBSERVED

Hon. Francis P. Fleming Will Make Address of the Day.

DECORATION OF THE GRAVES

Both Chapters of the United Daughters of the Confederacy Will Honor the Dead by Sprinkling Flowers Upon Their Graves—Today's Program.

Today is Confederate Memorial Day, when loving surviving comrades and devoted wives and daughters will honor the departed heroes, who died in the defense of a cause which they believed to be right and just, by placing fragrant flowers upon their graves.

This custom will be universal throughout the South, because it is a day loved and respected by every Southern heart, regardless of age or standing.

The day will be properly observed in Gainesville, as usual. An interesting program has been arranged, which is as follows:

Members of J. J. Finley Chapter, U. D. C., will assemble at the home of the president, Mrs. W. B. Taylor, 108 East Orange street, at 8:30 o'clock this morning, where carriages will be awaiting them. The Chapter will proceed to the cemetery, where the graves of the departed heroes will be strewn with fragrant flowers as a token of the love and esteem to which these heroes of the 60's are worthy. The Chapter has consented with pleasure to unite with the U. C. V. in their exercises, and will return in ample time for the ceremonies and address of Ex-Governor Francis P. Fleming, which will occur at the court house at 11 o'clock.

Stonewall Camp, United Confederate Veterans, extended to Hon. Francis P. Fleming, ex-governor of Florida and one of the most eloquent orators in the State, an invitation to visit the city and deliver a memorial address on this occasion. Col. Fleming accepted, and will deliver the address at the court house at 11 o'clock this morning, to which the public is generally invited. The G. A. R. and both Chapters of the Daughters of the Confederacy have been invited, and all have consented to be present. The distinguished gentleman is well versed in the history of the Confederacy and the Confederate soldier, and his remarks are bound to please and interest.

Kirby Smith Chapter, U. D. C., will attend the ceremonies of the United Confederate Veterans at the court house at 11 o'clock this morning, when Ex-Governor Francis P. Fleming of Jacksonville will deliver an address.

Members of the G. A. R., local post, by special invitation of the U. C. V., will also be present and participate in the ceremonies.

The members of Kirby Smith Chapter, United Daughters of the Confederacy, will assemble at the home of Mrs. J. F. McKinstry, Jr., East Main street N., at 4 o'clock this afternoon, where carriages will be in waiting to convey them to the cemetery, where floral decorations will be placed upon the graves. The graves of Veterans in the Jewish cemetery will also be decorated, this honor having been awarded to Mesdames Wertheim and Burkhim and Miss Maud Graham.

At 5 o'clock this afternoon there will be a simple memorial service at the monument, court house lawn, to which the public is invited.

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." Sold by J. W. McCollum & Co.

Real Estate Deals.

Among the important real estate deals of the past two or three days is a lot on West Main street N., immediately north of the McCook home, which was sold to J. E. Wells. Mr. Wells, who has for the past few years been living on North Garden street, No. 300, proposes to erect a neat and modern cottage at once, and will soon be residing with his family there.

Messrs. T. B. Stringfellow and C. A. Colclough have purchased at Millard Station, southwest of Gainesville, a one-acre lot, upon which they propose to erect a packing-house.

Both sales were executed by T. B. Ellis as agent for W. P. Van Ness and W. R. Fairbanks, respectively.

A Dare-Devil Ride

Often results in a sad accident. To heal accidental injuries, use Bucklen's Arnica Salve. "A deep wound in my foot, from an accident," writes Theodore Schuele of Columbus, O., "caused me great pain. Sunday Bull Fights in Spain.

New York, April 25.—Bull fights were held Sunday in many towns all over Spain for the first time since the law prohibiting their being held on that day was promulgated, says a Herald dispatche from Madrid. Owing to the popular opposition to the measures to the protests from the toreadors, municipal authorities and others interested in the government suspended the law. Several serious injuries have been reported in various rings.

A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the head is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws off in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

A canard was published in a Berlin paper stating that pirates had run up the Potomac river and looted the United States treasury. Some of those German newspaper fellows ought to come over and see what an easy job that would be.

We have received a copy of the Miami city directory, published by A. R. Parrish of that city, and it is a very neatly and carefully compiled book. It contains 800 pages, and besides the directory and other useful information has a large number of advertisements of Miami's progressive business men. A new directory is published each year, and three thousand copies are sent out by the Miami business men.

The roof of The High Springs Hornet's nest leaked so badly that Editor Setzer's bags in which he keeps his type became water-soaked and rusted the metal. On the suggestion of a friend he put in a bid for shingles to repair the roof, to be paid for in advertising, and another for nails to be paid for in advertising for the hardware firm that would furnish them. He will then have let the carpenters put on the roof in payment for subscription to The Hornet. In that manner he will increase his advertising patronage and subscription list.

TAMPA OPIUM JOINTS.

Of all the most vile and loathsome dens with which some of the cities are afflicted, the opium den is the very lowest. It is stated by The Herald that Tampa has upwards of twenty-five of these dens that are run with regularity, and there is no law that can reach them in order to prosecute the proprietors as they deserve. The paper says:

"The Herald is informed that the number of persons who frequent these places now is simply astonishing, and the disclosures as to the identity of many would set the city agog with excitement that would last even Tampa for months to come. These places run open because there seems to be no law by which they can be suppressed at the present time; therefore, this seems to be an especially fitting time to call attention to the evil, so that an effort can be made to secure the passage by the Legislature of a strong law which will put an end to an evil which is greater than all others existing in Tampa just now. The opium habit is the worst form of vice and leads quickly to all the crimes on the calendar. The dens which are being conducted for the benefit of dope fiends and for the many new victims which can be lured there, should be put down, and the representatives from Hillsborough county could do society no greater service than to prepare, introduce and pass a law which will bring this evil to an end, or at least reduce it to the minimum. The longer the evil exists the harder it will be to uproot and put out. The Herald believes that the law is one that would benefit the entire State, and society will be much better for its having been made."

THEY ALL DO IT.

The Lakeland News very sensibly remarks that "some papers are wasting a lot of good space and working themselves up to an unnecessary degree of heat in an effort to prove that there is but one section of Florida fit to live in—the one in which they chance to be published. We think the discussion unseemly, uncharitable and detrimental to the interests of the State as a whole."

The above would be all right, if The News had stopped there. But it continues the article by asserting that "The News thinks it is published in the best part of Florida," when anyone knows who has seen the State that there are many sections "fit to live in." There is no better State in the Union than Florida, when you are in search of a salubrious climate, and the portions that may be considered not so good as others at present, will be all right when the country is settled and a thorough system of drainage constructed.

The news that Joseph Jefferson, the "Dean of the American Stage," has passed away will be read with regret by men and women in all parts of the country, and there will be many a tear among the members of his loved profession. No player who has ever been before the American public was so loved and respected as was Jefferson. The sincere admiration of theater-lovers was attested in the last few years by the great audiences which greeted the eminent actor's every appearance, even after his advanced age had made his acting less convincing and his voice had lost much of its once powerful tone.

GOOD LUCK Baking Powder

make it the most widely chosen of all leavening agents. During this year 16,145,114 pounds have been sold (many orders coming in for car-load shipments), which is the largest business for a single factory in the world. This is only the inevitable result of the original Good Luck plan—to furnish the best baking powder in the world at the lowest price—10 cents a pound.

Good Luck is the best because it is purest, because it produces the lightest, whitest, sweetest of baking. These results are due to its unequaled leavening force, to the fact that it contains no adulteration whatever. It is the most economical because it takes less to do the work than any other baking powder. If your dealer doesn't sell Good Luck let us know, and we'll see that you are supplied at once.

The Columbia (S. C.) State says: "Day after day, week after week, cotton has been streaming to market. It has gone to the buyers by the twenty and the thirty thousand bales a day—only the existence of the association has prevented the bottom dropping out of the market. But the farmers seem to be satisfied with 7½-cent cotton. Instead of a reduction of 25 per cent in acreage we hope for but fifteen; many allege there will be little or nothing. What are the allies of the farmers to think? Will the farmers not help themselves?"

Bottles made of paper are now in use by some of the dairymen in the country for delivering milk and cream. The inside is lined with paraffin at 212 degrees and then baked, which steralizes the bottle and makes it tight. It keeps the milk sweet longer, and a bottle when emptied contained only one-fourth as many bacteria as a glass bottle.

SUNDAY SCHOOL PICNIC.

Sunday School Committees Will Meet at Hampton's Office Today.

The spring time is here, which means that the time for picnics is here also. It is the custom of the various Sabbath schools of the city to treat their pupils each year to a day's outing, which is not only a benefit to the pupils, but to the older folks also who desire to go along to keep "the children straight."

This afternoon at 4 o'clock the committees from the various Sunday schools are requested to meet at the office of Col. W. W. Hampton, East Main street N., when the matter will be properly and fully discussed. It is the desire of the various schools this year to give a union excursion and picnic, and from what has been gathered Silver Springs seems to be the favored point. Silver Springs is a beautiful and historic spot, and the committees believe that it would prove a most desirable place for a picnic, since a great many might be induced to visit this favorite spot, where otherwise they might consider the function with indifference. There are a number of beautiful oak and magnolia shade trees on the banks of this famous spring, which will assure plenty of shade and comfort.

The committee will talk this matter over today, but from present accounts there will be but little trouble in the matter of making a decision.

A PLEASANT AFFAIR.

Mrs. L. C. Lynch Entertains in Honor of Mrs. Walter Hawkins.

Tuesday afternoon from 4:30 to 6:30, Mrs. Louis C. Lynch gave a delightful reception complimentary to Mrs. Walter Hawkins of Jacksonville.

Master Haisley Lynch met the guests at the door, and Mrs. Lynch was assisted in receiving by Mrs. Hawkins and Mrs. F. D. Warner, and in entertaining by Mrs. Watson Porter, Mrs. Samuel Thomas and Mrs. VanDeventer. Serving at the punch tables were Mrs. J. N. Strobhar, Mrs. John Chesnut, Mrs. J. A. Goodwin and Miss Scarratt.

Dainty refreshments were served by Mrs. J. C. Clark, Mrs. A. R. Harper, Mrs. M. B. Saunders, Mrs. George Dudley, Miss Ruth Scarratt and Mrs. G. M. Lynch.

Will Change Location.

The firm of J. W. McCollum & Co., druggists, who have been conducting business at 106 West Main street, S., have leased the corner store in the opera house block, now being vacated by Carter & Anderson, and will occupy same about May 1.

This is one of the most desirable, as well as most desirably located, stores in the city, and it goes without saying Messrs. McCollum & Co. will make of it an attractive resort.

The change was necessitated on account of a demand for more commodious quarters, occasioned by the growth of the business.

NEW YORK ARTIST

Recommends Vinol to Create Strength.

A prominent New York artist, Mr. Jules de Naton, writes: "This is to certify that I have taken Vinol and found it of great value as an appetizer and tonic in general debility. After all other tonics and medicines had failed to help me Vinol built up my strength and invigorated my whole system in a remarkably short time. It is certainly a delicious cod liver oil preparation and contains none of the greasy, disagreeable features of old-fashioned cod liver oil and emulsions,

JULES DE NATON.

and I want to recommend Vinol to everyone who is in a weak, run-down, debilitated condition."

This is only another illustration that where all other tonics and emulsions of cod liver oil fail, Vinol will purify and enrich the blood, increase the appetite and create strength.

Druggist W. M. Johnson says: "The reason Vinol accomplishes such remarkable results is because it contains in a concentrated form all the curative, strength-creating properties of that famous old remedy, cod liver oil, but without a drop of oil or grease to upset the stomach and retard its work.

"I wish every man, woman or child in Gainesville who is run-down, tired, debilitated or overworked would try Vinol on our guarantee to return their money if it fails." W. M. Johnson, druggist.

MILLEDGEVILLE STIRRED

After Wonderful Religious Work in Georgia Town by Dr. Strouse.

Dr. Clarence B. Strouse, after a few days spent in conducting a big tent revival in Milledgeville, Ga., has gone to Helena, Ark., where he will engage in a similar work.

The meeting at Milledgeville was a most glorious one, as has already been published in The Sun. It was a great religious wave which swept the place, and when the noted evangelist left the city there were few unconverted souls.

In writing to a friend in this city, Dr. Strouse says in part:

"It was one of the most successful meetings I have ever seen. Five hundred were converted. All the business houses were closed during services. Scores of old troubles were settled, the whole subject under discussion being religion among the people. Groups of men were often seen on the streets, some in tears, talking of the great blessing they had received. Over fifty cadets from the college were converted at one service.

"The great tent did not begin to accommodate the people. We had two men's meetings during my stay in Milledgeville, and the second was greater than the first, although both were highly successful. All business houses were closed for two hours, and the scene at the close of the last men's meeting beggars description."

A BIRTH IN ENGLAND.

A Daughter Has Come to the Home of Mrs. Howard Temple.

Mrs. H. F. Dutton has just received the information that a daughter has come to the home of Mr. Howard Temple at Camelot, Mossley Hill, near Liverpool, Eng.

Mr. Temple is well known here, having visited the city on many occasions in the interests of the Dutton Phosphate Company. He is a favorite with all those who have had the pleasure of his acquaintance and all extend to him their congratulations. Mr. Temple has named his daughter Lucille, as he says he remembers hearing the name in Gainesville, and considers it a typical Southern name, the South being a country he is well pleased with.

HEALTH IS YOUTH.

Diseases and Sickness Bring Old Age.

Herbine, taken every morning before breakfast, will keep you in robust health—fit you to ward off disease. It cures constipation, biliousness, dyspepsia, fever, skin, liver and kidney complaints. It purifies the blood and clears the complexion. Mrs. D. W. Smith, Whitney, Tex., writes April 3, 1902: "I have used Herbine, and find it the best medicine for constipation and liver troubles. It does all you claim for it. I highly recommend it." 50c a bottle. Sold by W. M. Johnson.

Will Move to Dunnellon.

Carter & Anderson, who have been conducting a grocery in the Edwards block, corner East Union and East Main street, S., for the past few months, have decided that Dunnellon was "the proper place," consequently are moving to that town, where they will engage in business.

The firm is composed of Syd L. Carter and W. B. Anderson. Mr. Carter entertains no idea of leaving Gainesville, but the business at Dunnellon will be under the management of Mr. Anderson.

While the people of Gainesville regret to lose this business firm, they will nevertheless wish them success in their new field.

A Dandy for Burns.

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. 'It is a dandy for burns.' Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency." 25c, 50c, $1.00 bottle. Sold by W. M. Johnson.

BEARING DOWN PAINS

3647 Indiana Avenue.
CHICAGO, ILL., Sept. 27, 1903.

I have been a sufferer with almost every kind of female trouble for years, but as long as I could get around and do my work I would not try patent medicines as I had no faith in them.

About eight months ago I had to take to my bed, suffering with prolapsus of the uterus, with bearing down pains and intense pains in the back. My aunt, who came to nurse me told me of Wine of Cardui and sent for a bottle. I am indeed glad that she did, for that first bottle started me on the road to recovery. In a few weeks I was out of bed and in three months I was in better health and stronger than I had been in years. I take a dose now, occasionally, of Wine of Cardui and am kept in perfect health.

Mabel Cooke
Sec'y, Woodman's Circle No. 70.

Wine of Cardui brings certain relief to women suffering any symptom of female weakness and perfectly regulates the menstrual flow. Wine of Cardui stops bearing down pains by permanently relieving the irritation which weakens the ligaments holding the womb in place. You need not suffer every month if you take this medicine. The periodical discharge will be painless and healthy without continual weakening drains. Wine of Cardui will make your health right and you may treat yourself privately in your own home. Secure a $1.00 bottle of Wine of Cardui from your druggist today.

The Hospital

Thankful are They Who Escape The Surgeon's Knife

Thousands of surgical operations are performed every year in our great city hospitals upon women afflicted with serious female troubles. Sometimes the operations are successful—oftentimes they are not.

It is safe to say that certainly nine out of ten operations for female troubles might have been wholly avoided.

The most valuable tonic and re-builder of the female organism, the medicine with a record of thousands of cases literally snatched from the operating table, is

Lydia E. Pinkham's Vegetable Compound

Do not consent to an operation which may mean death until after you have given Lydia E. Pinkham's Vegetable Compound a fair trial. Note what it did for Mrs. Paul Oliver, whose letter follows:

DEAR MRS. PINKHAM:—I was suffering from pains in my side and womb. The doctors said to get well I must have an operation performed, but I would not consent to that.

I heard of Lydia E. Pinkham's Vegetable Compound and sent for a bottle; the first dose did me good, and after taking the first bottle I could sleep all right and I did not have those pains around my womb which I had all the time before. Now I can ride ten miles in a carriage, my color has returned, and I am full of life. I owe all this to the Vegetable Compound.

It has also done wonders for my thirteen-year-old daughter. I will never cease to praise it and recommend it to my friends.

MRS. PAUL OLIVER, St. Martinsville, La.

Thousands of women, residing in every city and town in the United States, bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills and creates radiant, buoyant female health. For your own sake try it.

Lydia E. Pinkham's Vegetable Compound Cures Where Others Fail

Nan Patterson Faints in Court.

At the conclusion of Prosecutor Rand's opening statement Miss Patterson was taken with a sudden fainting, and Recorder Goff ordered a recess immediately. The defendant revived when the court windows were opened and was able to walk unassisted to the Tombs.

Dr. E. W. Hall, St. Louis: Dear Sir—I have been a great sufferer from bladder trouble for two years and my case was of a very serious nature, compelling me to have several painful and dangerous operations. I have also taken many different remedies. I took Swamp Root for three years and Warner's Safe Cure two years and they only gave temporary relief. After having two operations and preparing for the third, I saw your Texas Wonder advertised and purchased a bottle. I got almost immediate relief and have continued to improve ever since. My doctors said my bladder had grown together in three places, and I was suffering almost death. No man living can say more than I can say for your Texas Wonder, and I call it a world's wonder, and I hope all who suffer will give it a trial. Wishing you success, I am

Yours truly,
W. C. DANIEL.
